# ABOUT

# R.O.W.

**R.O.W. Contracting Corporation** has been and continues to be the turn-key provider of right-of-way services for numerous entities. From new right-of-way clearing and construction to right-of-way reclamation and maintenance, R.O.W. Contracting Corporation has the expertise and state-of-the-art equipment to get you the results you need.

Utilization of our knowledge, equipment, and team of professionals will be a strategic asset to your organization. We work with our clients to effectively develop and execute comprehensive right-of-way clearing and maintenance plans.

Our clients range from and include: individual entities, municipalities, cooperatives and publicly traded companies. Regardless of the size or type of your organization, we can successfully manage and complete your project with the quality that you and your organization deserve.

**We aim to provide exceptional service and results by utilizing experience, state of the art equipment, and adaptability - when you need it and where you need it.**

# CLIENT QUOTES

"R.O.W. has handled our right of way clearing and vegetation management projects for five years. Their team has consistently delivered outstanding quality and service, regardless of the project's site conditions or the time frame. We look forward to utilizing them for many years to come."

- *William Pitts, President of Pitts Construction*

"I want to thank R.O.W. for consistently going above and beyond to make sure that our company and our clients are satisfied. We have always been impressed by the professionalism of their crews, their efficiency and their flexibility. We see R.O.W. as a strategic partner in our business."

- *James R. Schneider, CEO of J.R. Schneider Construction, Inc.*

"R.O.W. handles our right of way needs. Having dealt with other service providers before, we instantly recognized that R.O.W. was in a league of their own. They have continually been able to go above and beyond what is expected of them and they have proven their ability to deliver and complete when needed. We will continue to depend on R.O.W. to handle our right of way needs."

- *District Supervisor, Gas Distribution Provider*

R.O.W. has worked with us continually for four years. We have been impressed by their knowledge, their crews, and their resources. They know what it takes to complete a job and do it right. We look forward to working with them for many years to come.

- *Bobby Schmidt, President of Schmidt Electric Company, L.P.*
